CONSIDERABLE INTEREST IN BOY SCOUT DRIVE

There is considerable interest being manifested in Maysville and Mason county in the Boy Scout drive soon to be staged. The people of this section are heartily in favor of the Boy Scout movement and will give it financial and moral support. It is expected that many members will be procured here at one dollar a year.

Any one having any note or claim against the estate of Mrs. Fannie A. Hays, deceased, is requested to present the same to the undersigned Executor, duly authenticated, for payment. Any one indebted to said estate, is requested to call and pay.

NORTHERN METHODISTS CONTINUING CAMPAIGN

Bad Weather Made Campaign Almost Impossible in Parts of Kentucky—Large Sum Is Raised.

Columbus, Ohio, May 29.—Dr. F. I. Johnson, Executive Secretary of the Methodist Missionary Centenary, Cincinnati Area, authorized the following statement:

"With 300 churches not heard from, or approximately 20 per cent of all the churches in this Area who have not reported the Cincinnati area has officially reported subscriptions of approximately \$13,000,000, and subscriptions for allied interests amounting to at least \$1,000,000 more.

"At the call of Bishop Anderson, all the district superintendents from the 42 districts were in conference here Tuesday with the Bishop and Executive Secretary to outline the policy for the continuation of the campaign until the entire quota is met. Heavy rains during the past two weeks have interfered seriously with the intensive canvass—practically making it impossible in part of Kentucky, and we are confident that when the churches which have not yet completed their work do so within the next few days, the area will go over the top."

CITY DUMP IS KEPT IN GOOD CONDITION

During the rush of Clean-Up week Prisoner Guard Greenlee and his force of prisoners are keeping the city dump on Bridge street in good condition by lot is filling up very rapidly and will keep the rubbish raked back. This is a very valuable lot to the city within the next ten years.

PRAYER MEETING AT FIRST BAPTIST CHURCH

The regular weekly prayer meeting service will be held at the First Baptist church this evening at 7:30 o'clock and following the service there will be a very important business meeting which should be attended by all of the members of the church who can possibly attend.

HORSE DROPS DEAD ON STREET

A valuable horse belonging to Mr. Ross Carrigan dropped dead on East Second street near the Limestone Lumber Company's office this morning. The horse was in a team hitched to a large wagon. It began to stagger and fell dead in only a few seconds.

MAYSVILLE IS AT LAST TO SEE A U. S. ARMY AIRPLANE

Army Airplane Used Throughout Kentucky to Recruit Men For the Army Is to Come to Maysville First Part of Next Week—Arrangements Are Made Today.

Maysville and Mason county people are at last to see a real army airplane flying over the city and county during the first part of next week according to announcement coming this morning from the headquarters of the Army Recruiting forces at Lexington.

Maysville is to be the first of a number of cities in this section of the state to be visited by the plane and recruiting officers.

This is the first time such methods have ever been employed in army recruiting. An army scout plane from Camp Knox will be called to Lexington by wire for the purpose. At Lexington the plane will pick up a member of the recruiting staff and take him to one of the towns within a radius of fifty miles and remain there for a few days while the officer canvasses the town for recruits. The first town to be visited will be Maysville.

Major J. J. Gannon, one of the originators of the plan motored to Maysville today and together with Mr. N. S. Cathoun, of the Bank of Maysville, reviewed the infirmity grounds. Major Gannon said the grounds would make a fine landing place and it will be marked off at once. While here he announced that next Thursday would probably be the date of the flight here but this will be announced definitely by wire later. He expects to remain here with the plane until the end of the week.

The airplane to be used is a regulation army scout plane, holding one passenger besides the pilot. The planes will be equipped with all the appliances in use during the war and opportunity will be given Maysville people to examine the craft closely. This plan has been in readiness for some time but it was necessary to get the permission of headquarters in Washington before the airplane could be sent more than thirty miles from its base at Camp Knox, and this permission was obtained Wednesday. The commanding officer at Camp Knox has informed the Lexington office that he will be glad to send one of the four aviators stationed there to Lexington at any time requested.

One airplane will be added to the recruiting force of one battery of field artillery and one Whippet tank, now waging the recruiting campaign in the western section of the State. The battle is directed from the head office by Col. Pfeil and Major Gannon, both officers of the artillery section. The airplane will land at Owensboro, Henderson, Madisonville, Hopkinsville, Russellville and Bowling Green on the same days the battery and tank arrive. The battery is equipped with a motorized, mobile machine shop to care for all repairs necessary during the campaign. In addition the battery has a portable electric light generator and provides light for the whole camp at each stop. This battery, tank and airplane will invade each of the sectors of the front of Kentucky and will arrive in Lexington sometime during the summer. There are recruiting officers and examining surgeons with the party and any recruit is signed up at once and sent to Fort Thomas.

LARGE OFFERING EXPECTED

Children's Day is to be observed in the Christian Church Bible school next Sunday. From present indication the offering to be made for missions will be \$250. Many of the classes made an effort to reach their apportionment last Sunday. The loyal Women's Class now has about \$100 in sight. The Men's class pledged \$76 and thinks that there are others who were not present who will help by their contributions to bring them up to the \$100 mark. The entire offering of the school will be for the support of special missionary work being done by the Christian Church.

MANY THANKS

The Public Ledger force was given a rare treat this afternoon by the Traxel-Glasecock Creamery when, at the very warm part of the afternoon, a large bucket of their "Truly Good" cream was delivered at the office with their compliments and all war taxes paid. The managers have the thanks of every member of the force.

COMMITTEE MEETINGS ARE NOT HELD

The two committee meetings of council scheduled for Wednesday night did not materialize because of the absence of several members of the committee. Two very important matters were to come before the committee and it is expected that other meetings will be called before the close of the week so that recommendations can be made before the regular monthly meeting of the whole council on next Monday evening.

MEMORIAL DAY

President Woodrow Wilson today cabled the following Memorial Day Message to the American people:

"My Fellow Countrymen: Memorial Day wears this year an added significance and I wish, if only by a message, to take part with you in its observance and in expressing the sentiments which it inevitably suggests.

"In observing the day we commemorate not only the reunion of our own country, but also now the liberation of the world from one of the most serious dangers to which free government and the free life of men were exposed. We have buried the gallant and now immortal men who died in this great war of liberation with a new sense of conservation. Our thoughts and purposes now are consecrated to the maintenance of the liberty of the world and of the union of its people in a single comradeship of liberty and of right.

"It was for this that our men conscientiously offered their lives. They came to the field of battle with the high spirit and pure heart of crusaders. We must never forget the duty that their sacrifice has laid upon us of fulfilling their hopes and their purpose to the utmost. This it seems to be the impressive lesson and the inspiring mandate of the day.

WOODROW WILSON."

ACCIDENTAL SHOOTING

Saturday noon Jeff Osborne at Rugles, while resting his gun on the ground with the barrel pointing to his right breast, the gun in some mysterious manner went off delivering its load into his breast tearing a great hole. He was at once removed to a nearby house and communication was opened with this place for a doctor. Dr. Porman was soon on his way and when he arrived he soon dressed the wound. He says he believes the young man will get well.—Vanceburg Sun.

ROADS CAMPAIGN IS VERY LIVELY

The campaign for the extra 20 cent road tax election is progressing throughout the county and the campaign is heating up considerably. The county is pretty well divided on the question and the election will be quite an interesting one. Intensive campaigning for the tax will begin in a few days and continue until the election.

IMPORTANT MEETING OF CITY BOARD OF EDUCATION

A very important meeting of the City Board of Education will be held at the High School building on Friday evening. At this meeting the plans for Commencement week will first come before the board members and much important business in connection with the week will be up for discussion. It is thought.

AGED COLORED WOMAN DEAD

Mefbina Young, aged colored woman of the Lewisburg neighborhood, died Wednesday afternoon after a long illness. Funeral will be held Friday morning and burial will be made in the Maysilek cemetery.

All union barbershops will close at noon Friday—Decoration Day. 27-3t

Haven't shot a rifle for 20 years.

GREAT CROWD IS EXPECTED HERE ON DECORATION DAY

People From All Over This and Adjacent Counties Have Been Invited to Spend Decoration Day in Maysville—Day Will Be Great Holiday.

Friday—Decoration Day—will be a great holiday in Maysville. At the request of the Mason County Soldiers and Sailors Association and the Maysville Chamber of Commerce, the majority of the local stores and shops will close at one o'clock to remain closed until 4. Many of the stores will close at noon. It will be a general holiday with the union workmen of the city and all union barber shops will close at noon.

The greatest amount of interest for the day centers in the big Memorial meeting to be held in Beechwood Park beginning promptly at 1:30 o'clock. The program as announced in yesterday's Public Ledger will be carried out and Lieutenant Colonel Sam M. Wilson, of Lexington, said by many to be the state's best orator, will deliver the chief address. Music by the Boys' Band and by a soldiers and sailors quartet as well as solos will add to the enjoyment of the afternoon.

The committee in charge of the decoration of graves of soldiers and sailors buried here and elsewhere in the county, announced today that they had made arrangements to place a Laurel wreath, an American Flag and a Service Flag bearing one Gold Star on the grave of each soldier of the World War and the graves of the veterans of the Civil War and Spanish-American War will be decorated by their comrades and relatives as well.

The names of the Mason county men who died in the World War and whose memory will be honored tomorrow follow: Leslie Arthur, Thomas Datis, Elgin Beckley, Hugh E. Bolender, Leo Boston, Arthur Glenn Bramel, Mark Brerly, Joseph N. Calvert, Thos. P. Cooper, Earl J. Cosgriff, Joseph C. Davis, James Bernard Kellum, John King, Grover C. Lauderback, Herman Lawrence, Charles Steven Malley, John W. Mcford, Walter I. Nauman, Claude Pabst, William Phillips, Robert T. Pollitt, Ernest C. Pardon, William Thomas Sears, Ira F. Sidell, Benjamin F. Smith, Martin Smith, John W. Thomas, Paris Wheatley, Dale L. Wilson, Earl Watkins.

The Boys' Band will not give an afternoon concert in the Band Stand as previously announced but hope to give an evening concert in the new stand if the electricians complete the wiring.

CLEAN-UP GOING FORWARD; 4th WARD CLEANED TODAY

Maysville Clean-Up Campaign Is Proving Quite Successful Although Everyone Is Not Co-operating As They Should.

Clean-Up week in Maysville is proving quite successful although the folks are not co-operating as they should in the movement in all parts of the city.

Today was clean-up day in the Fourth ward and the city's carts and wagons hauled quite a lot of rubbish to the city dump while many of the streets and alleys were given a thorough cleaning by the city's street cleaning department.

Friday is Decoration day and a holiday but the folks of the Fifth Ward are urged to take advantage of the day to clean-up as well as decorate up and the city's force is expecting quite a lot of rubbish gathered in that section of the city. The intensive campaign will come to a close Saturday in the Sixth ward but the people are urged not to quit just because the week is closing. This was only the beginning of a general clean-up that is hoped will last all during the summer months.

SUMMER WEATHER MEMORIAL DAY

Fair and warm is the prediction for Decoration Day. The temperature is expected to soar to 85 degrees, which will be the maximum thus far. The present high mark is 83 degrees, on May 4. Wednesday the temperature went to 81 degrees. The warm breezes are coming from the Northwest, where temperatures ranged above 90 degrees in the northern plain States and the Rocky Mountain regions.

STEAMBOATS IN RACE

The steamers General Wood and Tacoma raced up the Ohio from the Maysville wharf Wednesday afternoon. They were making great speed when they passed by the East end of the city and the Tacoma seemed to be gaining on the newer boat.

County Clerk James Owens this afternoon completed figuring up the county's assessment and forwarded the books to the State Auditor.

BUILDING EXPERT IN CONFERENCE WITH HOUSING COMMITTEE

Representative of Huntington Concern Which Built Houses For Nitro and Other Government Settlements Explain His System.

Mr. Poyntz, representing the Mentor Housing concern of Huntington, W. Va., spent Thursday in Maysville in conference with a number of our prominent business men in regard to solving the housing problem for Maysville.

No question has been more serious than the question of furnishing enough houses for the people of the city. It is known that Maysville could obtain more factories and plants of various kinds should the housing problem be solved.

Mr. Poyntz's concern is recognized as one of the leaders in rapid fire house building. This concern built up the town of Nitro, W. Va., in a very few weeks and to show how quickly they could do the work the concern erected a building for the Reynolds Tobacco Company in Winston-Salem, N. C., within only a few hours completing the entire building in a day.

The conference with the Housing committee of the Chamber of Commerce was a very interesting one and the committee obtained much important information that they may have use for in the near future if a housing program is adopted.

The first move in the solving of the housing problem for Maysville was taken this week when the Home Building and Realty Company was incorporated. It is understood that this concern hopes and expects to build a number of first class homes in the Eastern section of the city during this year.

Net you a dollar I miss the bird I don't shoot at.

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

NEW SERVICE OVERSEAS

With the arrival in France of the first 1,000 of the newly enlisted men, an equal number will shortly be released from the Army of Occupation in Germany. In calling for 50,000 men for overseas service the War department was preparing against the time when drafted men now with regular army regiments would be discharged. To date about 30,000 men have volunteered for the venture in France and Germany.

Among discharged soldiers a considerable number are offering themselves as volunteers. The definite promise of foreign service in the immediate future has proven a strong attraction. Out of pure love of adventure many recruits are enlisting. Some who have already been abroad, and returned home, and had their holiday, want to go back to Europe.

Those who spent long months in training in the various camps and cantonments on this side will grasp this opportunity to win the coveted gold chevron. It will be their way of completing their bit for Uncle Sam.

General Pershing will not receive the ordinary kind of recruits who join the army during peace times.

It is natural that the men abroad should be anxious to return home and be demobilized. But there are thousands of American boys who still lament the fact that they did not get over for the Marne and Argonne parties.

BURNS, CUTS, BRUISES

San Cura Ointment Relieves Pain,
Draws Out Poison and
Heals Promptly.

There is no better remedy for burns cuts and bruises than the antiseptic and healing ointment called San Cura. Every person ought to have a jar on hand; it is the first and best aid to the injured case of accident, and is the ideal remedy for so many other distressing and painful ailments besides.

For example, it is guaranteed by J. Jas. Wood & Son to relieve itching, bleeding and protruding piles, eczema, tetters, ulcers, salt rheum, boils, carbuncles and pimples, or money back. In case of old running sores, no matter how long standing, a few poultices of San Cura Ointment will draw out the poison, and leave them in such a thoroughly aseptic condition that they will heal promptly.

We advise every reader to get a jar of San Cura Ointment today, and keep it ready for an accident or emergency that may happen. 30c, 60c and \$1.20 a jar at J. Jas. Wood & Son on the money back plan.

San Cura Soap is delightful for shampooing, because it is full of antiseptic properties that banish the germs of dandruff and other impurities from the scalp. It removes pimples and blackheads, too. 25 cents a cake at J. Jas. Wood & Son.

If your druggist does not have it send to Thompson Medical Co., Titusville, Pa.

Remember to assist during Boy Scout Week, June 8 to 14, in the Nation-wide campaign for one million Associate Members of the National Council Boy Scouts of America. The fee is \$1 and as much more as you desire to give.

The cross roads oracle says: The fellow who's up-to-date enough to drive an auto ought to be up-to-date enough to spray his orchard.

A dollar invested in a Boy Scout membership surely will be returned to you many fold.

Election Notice

Pursuant to an order of the Mason Fiscal Court, a special election will be held in Mason County, Kentucky, on SATURDAY, JUNE 14, 1919, between the hours of six a. m. and four p. m., at which election there will be submitted to the voters of Mason County the following question: "ARE YOU FOR A PROPERTY TAX OF TWENTY CENTS ON EACH \$100 WORTH OF PROPERTY IN THE COUNTY TO BE LEVIED EACH YEAR FOR THREE YEARS FOR THE PURPOSE OF IMPROVING OR CONSTRUCTING, EITHER OR BOTH, THE ROADS AND BRIDGES OF MASON COUNTY?"

Voting booths will be opened in the various precincts of the county on said day.

REMAIN ON GUARD AGAINST ARMY WORM

Farmers Urged to Watch for Voracious Pest Despite Extermination Work in Texas.

Washington, D. C.—No new appearance of the army worm has been reported to the United States Department of Agriculture, and with the strenuous efforts being put forth in Texas to prevent its spread there is hope that it may be confined to the vicinity of Dallas and Fort Worth, where the pest has manifested itself this year and has caused considerable damage to wheat and oats.

Farmers in all States east of the Rocky Mountains, however, are urged by the Department to remain on the watch for the insect and to report its discovery immediately to State or Federal agricultural officials.

The army worm is simply a cutworm that has developed migratory habits, explains Dr. L. O. Howard, chief of the Department's Bureau of Entomology. In some years its reproduction may be small and all of the worms find sufficient food in the immediate neighborhood. In other years conditions bring about their reproduction in enormous numbers, and when that happens they manifest the characteristic that gives them their popular name. They move forward in enormous numbers in search of food—normally "marching" during the day and resting and eating at night, but sometimes eating voraciously during the day, and sometimes eating each other when foraging proves vain.

This year the worms appeared in enormous numbers in the vicinity of Dallas and Fort Worth, caused great damage, and soon they were "on the move" for fresh feeding grounds. Alarms were sent all over the wheat regions of Texas and farmers prepared to fight the invaders by means of poisons and trenches into which the army worms would fall.

WOMAN SO ILL COULD NOT WALK

Lydia E. Pinkham's Vegetable Compound Restored Her to Health.

Perth Amboy, N. J.—"For three years I suffered with a severe female trouble, was nervous, had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. I read about Lydia E. Pinkham's Vegetable Compound in my newspaper, and

tried it. Now I am better, feel strong, have no pains, backache or dizzy spells. Every one tells me how well I look, and I tell them to use Lydia E. Pinkham's Vegetable Compound—that is what makes me feel well and look well. I recommended it to my sister and she is using it now. You can use this letter if you wish, for it is certainly a grand remedy for a woman's ills."—Mrs. MARTHA STANISLAWSKI, 524 Penn St., Perth Amboy, N. J.

For forty years Lydia E. Pinkham's Vegetable Compound has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

BOY SCOUT MOVE HAS ENDORSEMENT OF PRES. WILSON

All Should Lend Encouragement to Boy Scout Movement During Special Week.

President Wilson says: "Anything that is done to increase the effectiveness of the Boy Scouts of America will be a genuine contribution to the welfare of the Nation."

The Boy Scout law requires that a boy must be trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean and reverent. Isn't it worth a dollar of your money, no matter how hard you had to work for it, to have the boys in your community trained in the law of the Boy Scouts? Of course it is. Then become an Associate member of the National Council Boy Scouts of America during Boy Scout Week, June 8 to 14.

The Boy Scouts of America rendered invaluable services for the Red Cross, the United War Work Committee and other national organizations serving the government during the great conflict. They sold in the first four Liberty Loans, bonds amounting to \$278,744,650 and to April 10 sold \$42,751,031.25 in War Savings Stamps. They located 20,758,860 board feet of standing walnut; collected over 100 carloads of fruit pits for gas masks; conducted 12,000 war gardens and war farms; distributed over 30,000,000 pieces of government literature; co-operated in the American Library Association drive for better books; served well in fuel and food conservation; performed countless individual acts of service to the Government, not recorded under any special classification, and presented a united front of patriotic zeal in many forms of community service, which in itself was of incalculable value to the Nation. Won't you remember this when during the week of June 8 to 14 you are asked to become an Associate Member of the National Council Boy Scouts of America?

It costs only a dollar to become an Associate Member of the National Council Boy Scouts of America and that dollar may be the means of keeping a boy good—keeping him out of the reform school—and making of him a first class citizen. How could you invest a dollar better? When you help the boy you help yourself. You make the boy a useful man and he is dependent upon no one. The Boy Scouts of America are trained to be honest and useful. They are trained to be clean, morally and physically and to be reverent toward God.

LIVER DIDN'T ACT DIGESTION WAS BAD

Says 65 year Old Kentucky Lady, Who Tells How She Was Relieved After a Few Doses of Black-Draught.

Meadowville, Ky.—Mrs. Cynthia Higginbotham, of this town, says: "At my age, which is 65, the liver does not act so well as when young. A few years ago, my stomach was all out of fix. I was constipated, my liver didn't act. My digestion was bad, and it took so little to upset me. My appetite was gone. I was very weak. I decided I would give Black-Draught a thorough trial as I knew it was highly recommended for this trouble. I began taking it. I felt better after a few doses. My appetite improved and I became stronger. My bowels acted naturally and the least trouble was soon ridged with a few

DOING THEIR DUTY

Scores of Maysville Readers are Learning the Duty of the Kidneys.

To filter the blood is the kidneys' duty. When they fail to do this the kidneys are weak.

Backache and other kidney ills may follow. Help the kidneys do their work. Use Doan's Kidney Pills—the tested kidney remedy.

Maysville people endorse their worth. Mrs. E. Spahr, E. Second and Walnut Sts., says: "I have never seen Doan's Kidney Pills fail to help anyone complaining of their kidneys. I have been greatly benefited by them myself. At times my back has ached and I have suffered from lameness through the small of my back. When I have been in that way, I have used a box or so of Doan's Kidney Pills, which I procured at Chasler's Drug Store. They have always quickly removed the trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Spahr had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

RED CROSS TO MAKE ANOTHER APPEAL

Appeal For Finances to Be Issued By the American Red Cross Next November.

An appeal to the American people for funds to carry on the work of their American Red Cross will be made November according to the following statement issued today by Dr. Livingston Farrand, Chairman of the Central Committee, who says:

"Appalling conditions in countries of eastern Europe, imposing on American Red Cross obligations additional to those assumed during period of the world war, and continuation of activities in connection with already outlined domestic program of the American Red Cross, make necessary an appeal to the people of America for further funds to carry on work for relief of humanity."

It has been decided to make this appeal in the autumn in a period of two weeks culminating the 11th of November, the anniversary of the signing of the armistice,—the season when American people may properly give manifestation through contributions to their American Red Cross, of their thankfulness for deliverance from added horrors of war which have fallen upon nations less fortunate.

At present the American Red Cross is bringing to a close its activities in countries in western Europe and with the withdrawal of American troops from the war zone, its work for army abroad will end automatically. Discharge, suffering of a most heartening character and severe, are calling for relief in other fields.

The new international organization of Red Cross societies is preparing to deal with relief and health problems throughout the world in future years, but these are immediate emergencies which require the aid of agencies already established. Foremost among these agencies is the American Red Cross.

At present emergencies are being met with all resources available, but it is apparent that imperative calls for assistance for the next year or more will make additional funds necessary.

SOME INTERESTING DOPE ABOUT THE FARM

Standardization Pays

When a county or a community standardizes any product, orders are sure to come. The following from a letter from the county agent of Oldham county dated April 12th, tells its own tale:

"Received inquiries for a total of 740 White Rock Hatching eggs today from other counties. The result of two years' work on White Rock Standardization has resulted in calls for eggs and stock that exceed our supplies. The people can't fill all orders for orders for eggs have been returned and some orders for stock have had to be returned because the people could not fill them. Two dollars for pullets and five dollars for cockerels have been the extreme prices paid and the people can not fill the orders that come in. All this is due to the advantages of adopting one special breed. Our only difficulty now is furnishing the goods in sufficient quantity. Have received orders for entire hatching egg output of the county, or at least the people have."

West Indies Get Stock

A very mixed carload of live stock was recently shipped from Lexington to the West Indies. This shipment was bought by Dr. Shannon, who is the manager of one of the huge cane plantations on the island of Trinidad. The animals were bought through the Live Stock Exchange of the College of Agriculture. This carload was made up of 10 grade Percheron brood mares, a Percheron stallion, some Hampshire swine, three Southdown sheep, a bunch of pedigree Belgian hares, a few bronze turkeys, a saddle mare and her three colts.

Students Go Visiting

Over fifty of the boys in the classes in agriculture at Berea, Ky., visited the College of Agriculture and the Experiment Station farm last week. It was a day spending affair of the old Southern type so the students might have ample time to see the feeding pen, the dairy stock, the poultry and the other interesting work being done besides taking dinner at the cafeteria in the basement of the Experiment Station.

CANNING EXPERTS GO TO FRANCE

Washington, D. C.—When the Roebanbau steams out of New York harbor bound for France, it will have on board four canning and drying missionaries to the French. They are missionaries in that they will carry the message of home preservation of food to a country which now does practically no canning at home. There it is a job for factories.

It is a cooperative enterprise, the parties to it being the American Commission for Devastated France, the French Ministry of Agriculture and the United States Department of Agriculture. The party was made up following a cable request from the French High Commission, to Secretary of Agriculture Houston, requesting the loan of some home demonstration workers who were experts in canning. Two home demonstration agents in the French regions of Louisiana were selected for the job. They are Miss Erin Dore of Crowley, Acadia Parish, and Miss Caroline A. Boudreaux of Scott, Lafayette Parish. With them goes Mrs. Bernice Carter Davis, formerly State Home Demonstration Agent for Texas, and Dr. Francis P. Ludd, canning and drying expert in the Office of Extension Work South, Department of Agriculture.

But the real beginning of the project is a long way back of the cablegram from the French Minister of Agriculture to the American Secretary of Agriculture. Last fall, Mrs. Bernice Carter Davis, one of the members of the party of four, was in France for the American Commission for Devastated France. She discovered that practically no home canning is done, that practically all canned products are put up in commercial canneries. She found that the Ministry of Agriculture was interested in the home demonstration work done in the United States by the Department of Agriculture and State college. She talked home canning with officials of the Ministry. Then she came home and talked it with the American Commission for Devastated France.

Points in the Moline's Favor

There are many points in the MOLINE'S favor when the question of what Farm Tractor to buy comes up. To put them all in print would make a long, long story—but to make a long story short—

POINT 1—The MOLINE is the ONLY tractor with electric lights and self-starter. You don't have to quit important plowing or other work just because the sun goes down. Just turn on the lights and keep right on. The MOLINE will work 24 hours a day for you. Never mind the weather. If it rains on Monday, you can do 2 days' work on Tuesday to make up for it.

POINT 2—The MOLINE is the ONLY tractor that cultivates the seed in the soil.

POINT 3—The MOLINE is the ONLY tractor that reverses and goes around a stump or rock. You drive the MOLINE same as an automobile. Drive backward as well as forward.

POINT 4—The MOLINE is the ONLY tractor that cultivates two rows at a time.

POINT 5—The MOLINE is the ONLY tractor that can be turned around in a 16-foot circle and can be put in a small-sized shed.

POINT 6—The MOLINE is the ONLY tractor that has a device to lock the differential and give perfect traction in soft ground.

POINT 7—The MOLINE is the ONLY tractor that will start and finish a field without a horse.

There are SEVEN points—"one for every day in the week."

Why Central Can Not Answer Questions

The duty of the switchboard operator is to answer your number calls and get connections for you.

If she stopped to answer questions, the number of calls would pile up and the service would be delayed; this would be an injustice to the other subscribers.

When in response to a question, the operator says: "I will give you Chief Operator," she is obeying her instruction.

If you cannot find what you want in the telephone directory, ask the operator for "Chief Operator" and she will connect you with the "Chief Operator" where your questions will be promptly answered.

NEXT WEDNESDAY IS CIRCUS DAY IN MAYSVILLE

Gentry Brothers Shows and Wild Animal Circus Expected to Draw Many to This City.

Gentry Brothers Famous Shows and Wild Animal Circus, which will be seen here on Wednesday, June 4, have new features, principal among which is Miss Annette Delano, who, gracefully mounted on a blooded high school horse, sings with the voice of the operatic star, while the intelligent animal which she rides, rounds the hippodrome track under the big arena tent performing its splendid repertoire of unusual accomplishments.

Miss Delano is known as "The Australian Prima Donna Equestrienne," and she more than lives up to her title. The climax of her performance is reached when four score of white carrier pigeons, released from all sides of the great tent, circle above her head and then flutter down to perch on her head, shoulders and arms and off her reins and horses' neck and back.

COUNTY JUDGE HEADS CAMPAIGN FOR MORE RURAL MEMBERS

Chamber of Commerce Plans Intensive Campaign on June 5—Business Men Urged to Close Stores Friday.

The Board of Directors of the Maysville Chamber of Commerce met in regular session last evening and transacted some important business for the organization.

A communication from the New Orleans Association of Commerce was presented requesting the endorsement of the local organization to resolutions adopted by that body calling upon the commercial organizations of the United States to assist in relieving the farm labor shortage in the South, by endeavoring to influence the labor that was transported from the agricultural communities to the industrial centers, to return to their home community.

Upon motion the Secretary was instructed to communicate to our Congressmen appropriate resolutions embodying a similar desire of the local Chamber of Commerce.

In behalf of the Soldiers and Sailors Association, Captain Robert Cochran, President of the organization, appeared before the Directors requesting their endorsement to the desire of the Soldiers and Sailors that the local merchants close their places of business from 1:30 to 4 on Memorial Day, so that their clerks might participate and enjoy the program as planned by the Association. A motion prevailed instructing the Secretary to transmit the approval of the Board of Directors, through the press, of the desire of the Soldiers and Sailors Association as presented by Captain Cochran.

Further plans were discussed for the coming Rural Membership drive campaign. On account of the Gentry Bros. circus being in the city next Wednesday, June 4th, they felt that many of the men from the county would bring their families to the show, and it was wise to postpone the campaign for one day, so members of the different teams will please be informed that the campaign will take place on Thursday, June 5th, instead of June 4th as before planned.

A complimentary luncheon will be given to the members of the teams in the offices of the Chamber of Commerce next Tuesday from 12-1:15 at which time the campaign will be outlined. Judge Purnell was elected by the Board of Directors, at the meeting last evening to chairman the campaign which is ample assurance of its success. The Board of Directors plan to increase the present rural membership from one hundred to five hundred and when this is accomplished, Maysville will be able to boast of one of the largest and most active City-County Commercial Organizations in the United States.

MR. J. B. RILEY

Mr. Joel B. Riley died Saturday, May 24, 1919, at his late residence on Forest avenue after a long illness of asthma. He was married March 29, 1889, to Miss Alice Riley of Sanders, Ky. Only one child, a son, was born of this marriage. He died some seven years ago, leaving one son, Joel Riley, who lives with his grandmother in this city. Mr. Riley was a faithful Christian man and a member of the Baptist Church at Sanders. Only one sister of Mrs. Riley's, Mrs. Bisset of Chicago, was able to attend the funeral services. Dr. W. B. Riley, pastor for twenty years of the First Baptist Church of Minneapolis, Miss., Rev. W. L. Riley of the State of Washington, and Dr. Fletcher T. Riley, brothers of Mr. Riley, were unable on account of distance and urgent engagements to be present. The burial occurred Tuesday afternoon at the local cemetery. Services by Dr. B. B. Bailey of the First Baptist Church of this city.

BAND FUND ASSURED, MANAGER ANNOUNCES

Maysville Boys' Band and Eastland Thing Ever Attempted to Raise Money For—Another Year Is Now Certain.

Manager J. Harbour Russell, of the Maysville Boys' Band, announced this afternoon that sufficient funds had been pledged to assure the meeting of all financial obligations for the boys' band for another year. Can you beat it?

Only a few hours were necessary to place the matter before the people and every one seemed anxious to help such a worthy cause. The band has made such rapid progress that the business men and citizens of Maysville were anxious to have a part in financing the organization. There are yet a few pledges and subscriptions to come in but Mr. Russell said he was certain that the fund was now assured.

The expenses of the band for another year were anticipated and a budget made to cover all possible expenses and the fund now assured covers all of these expenses.

The managing committee is expecting the suits for the boys in the very near future and they are especially anxious to have them before the Fourth of July celebration.

Plenty of ducks at Shooting Gallery.**MAYSVILLE MAN MAKES GOOD AS BAND TEACHER**

The Kellerton, Iowa, Globe has the following to say of Charley Stewart's ability as a band leader in this city:

It seemed like old times to see such a large crowd in the city last Saturday night listening to the band concert. They were here from a distance and from some of the neighboring towns. The boys seem to improve wonderfully each time they appear in public.

Mr. Charles W. Stewart, the new leader, is certainly doing some wonderful work with the band and we believe the boys as well as the public are appreciating this fact. Mr. Stewart said to us: "Just give me a little time and I will show you one of the best bands in this section. We have the material to work with and the boys are responding fine." When the weather settles and the roads get good we look for even larger crowds than we had Saturday night. A good program has been arranged by Mr. Stewart for next Saturday night. See the program on page one.

ACQUITTED OF MURDER CHARGE

The Manchester (O.) Signal says: Ralph Knauff, 30, a Cedar Mills farmer indicted for second degree murder for killing Hooper Hayslip in June 1918, was acquitted by Judge Stephenson and Jury Thursday midnight. Self defense was the plea on which the four-day legal battle was fought. Neighborhood sentiment was with Knauff from start to finish. The Jury deliberation was brief.

SMALL BLAZE

The fire department was called to the home of Mrs. C. C. Hopper in Third street late Wednesday afternoon to extinguish a small fire in the top of the building. Painters were working on the building and it is supposed that the blaze was started from a torch. Practically no damage was done. This being the first fire alarm in Maysville for two months there was quite a crowd attracted.

ALLIES WILL HONOR AMERICANS DECORATION DAY

French Will Assist President and Honors Pershing in Honoring American Boys Sleeping in France.

Paris, May 29.—From Flanders to the Vosges and from war-torn northern France to the ports in the south, French and Americans will join tomorrow in paying tribute to America's silent army of democracy—the dead.

While thousands of hearts reach overseas in yearning memory to the army's commander-in-chief, the president, will speak of them over the graves of some of the first to fall in the desperate struggle just a year ago, when the Germans were nearest Paris. In addition the army's field commander, Pershing, will deliver an eulogy of the soldiers who died.

These ceremonies will be at established cemeteries. But not a single American grave in France or elsewhere will be forgotten.

President Wilson will deliver an address at a cemetery near Paris, buried there are men who fought at Belleau Woods and other historic spots in the Chateau-Thierry region. Pershing will participate in ceremonies at the cemeteries at Dunsur-Meuse, Beaumont, Romagne and Thiaucourt. All these places were in German hands a year ago. At Dunsur-Meuse, in what once was the beautiful valley of the Meuse, the heroes of America's last offensive will be honored. Romagne is the largest American cemetery in France, between 10,000 and 12,000 being buried there. At Thiaucourt the heroes of the St. Mihiel offensive rest.

A total of 70,000 American graves will be decorated throughout France. The Quartermaster's Department has furnished thousands of small flags.

Catarhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and the tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Unlike Catarrh of the nose, which runs down the throat, Catarrh of the ears runs down the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Halls Catarrh Medicine. Circulars free. All Druggists, etc.
